**For the Democratic Party, whose convention this week is showcasing gun-control advocates, the solution to violent crime is clear--more regulation of guns. Monday's convention speeches by James and Sarah Brady were filled with moving stories of their personal suffering.**

**While the impacts described on both sides of the issue do exist, the crucial question underlying all gun-control laws is: What is their net effect? Are more lives lost or saved? Do they deter crime or encourage it? Anecdotal evidence obviously cannot resolve...**
