Number of justifiable homicides U.S. 2007-2019

Published by [Statista Research Department](#), Oct 2, 2020

In 2019, law enforcement officers committed 340 justifiable homicides in the United States. A justifiable homicide is defined as the killing of a felon during the commission of a felony.

What is homicide?

Homicide occurs when one person kills another; however it is not exactly the same as murder. It may or may not be considered criminal. Legal examples include a person killing an intruder in their home or capital punishment. There are different types of homicide, which includes [murder](#) and [manslaughter](#).
